## Academic Policy on Courses Taken Elsewhere

<https://www.jefferson.edu/life-at-jefferson/handbooks/policies/undergraduate-policies/courses-elsewhere.html>

- Students must be in good academic standing to be eligible.
- If the course is being offered on campus at TJU in the same term, students must be residing beyond 30 miles of the East Falls campus.
- If the course is being offered online at TJU in the same term, students must take the course as Jefferson.
- Course re-takes cannot be taken elsewhere.
- Students may only register for six credits or two courses at another institution.
- Permission to take courses at another institution will be granted only if the institution is a regionally accredited institution.
- Courses at the other institution are determined to be equivalent to courses at Thomas Jefferson University by the respective program director or associate dean after a faculty review of the corresponding course description.
- Generally, permission to take courses equivalent to Thomas Jefferson University junior- and senior-level courses will be granted only if the other institution is a four-year college or university. Students may not take junior- and senior-level courses at a two-year or community college.
- Students must earn a "C" or higher for an approved course. Students should not take courses at other institutions on a "Credit/No Credit" or pass/fail basis, as the University will not accept such a grade toward a Thomas Jefferson University degree.
- Grades earned at another college or university are NOT made part of the student's Thomas Jefferson University transcript; rather, the credits will be considered only for transfer credit.
- The student must send an official transcript from the other institution to the Office of Thomas Jefferson University Registrar after completion of the off-campus course work. No credit will be evaluated until that office has received an official transcript. No credits will be transferred without prior approval.
- Students must fulfill their residency requirements at Thomas Jefferson University.
  - To be eligible for graduation with a degree from TJU, a student must earn a specified minimum number of credits in residence (excluding Fundamentals courses); included in this requirement are nine semester credit hours in the Hallmarks Core Curriculum and 12 semester credit hours in the major core. If a student is pursuing a double major, another 12 semester credit hours must be completed in residence in the second major core.
  - Traditional undergraduate students must earn a total of at least 60 semester credit hours in residence at TJU.
