CLASS OF 2018 FIRST DESTINATION CAREER OUTCOMES

Jefferson (Philadelphia University + Thomas Jefferson University) prepares students not only to land top internships and jobs, but to become industry leaders. At Jefferson, we call our transdisciplinary, professionally focused approach to education Nexus Learning. Consistent with this approach, the Marianne Able Career Services Center assists students and alumni in capitalizing on their Jefferson experience, helping them achieve their professional goals.

This survey includes data from undergraduate day students who graduated from the Jefferson East Falls Campus in August 2017, December 2017, and May 2018. Statistics are derived from a survey collection pool of 407 graduates from a total graduating class of 497 (representing a 82% knowledge/response rate). Response sources include: self-reported survey responses, faculty/staff outreach, and LinkedIn profile verifications. Of the 407 graduates with information provided, 388 or 95% have reported post-graduation employment in fields related to their major/career interests or graduate school acceptance.

Further broken down, 287 graduates are employed (74%); 101 are enrolled in graduate programs (26%); and 19 indicated they were still seeking employment in their field of study at the time of this report (5%).
