

## Podcasting Resources

- [NPR's guide](#) for podcasting for students
- [AAAS article](#) on grad students and postdocs doing podcasts
- [List](#) of podcasting resources – everything from starter guides, to equipment, to recording on Skype.
- [Love Is A Battlefield](#), that has Alix Spiegel, now co-host of Invisibilia, talk about her process of preparing for and carrying out an interview.
- [Look At Me, Did I Find True Love?](#) also gives some interesting insight in the interview process.
- [Bionic Pancreas](#) has a nice example of how to start a story.
- [Barf Draft With An iPhone](#) shows an interesting idea for writing the first draft of a script.
- [Recording Not By The Book](#) talks a lot about techniques for interviewing people remotely.
