

First National Nursing Symposium on Antibiotic Resistance and Stewardship

November 19, 2024
10:00am -2:30pm VIRTUAL
Symposium will be recorded

World AMR Awareness Week is celebrated from November 18 to 24 to improve awareness and understanding of antimicrobial resistance and antibiotic stewardship. In recognition of this week, The Center for Infection Prevention and Antibiotic Stewardship at the College of Nursing at Thomas Jefferson University in partnership with Jefferson Health Nursing, Philadelphia is hosting the First National Nursing Symposium on Antibiotic Resistance and Stewardship.
