

Medical Assistance & Benefits

COMPASS Application

COMPASS is a service that allows you to apply for health and human services benefits in one place. On COMPASS you can learn about benefits, see if you might qualify, apply, and renew your benefits when required.

Included in COMPASS:

- Health care coverage
- Supplemental Nutrition Assistance Program (SNAP)
- Free or reduced-price school meals
- Cash assistance
- Child care works
- Low-income home energy assistance program (LIHEAP)
- Long-term living services - home, community-based, Nursing home, and related facilities.

To get started:

1. Go to www.compass.state.pa.us and click on the Login/Register drop-down.
2. Select "Register" under the Individuals & Families section to create a My COMPASS account.
3. start to search and apply for benefits!
