

Boys and Girls **AGES 9-11 ARE NEEDED** For Vaccine Research

Purpose: To see if the HPV vaccine works well when given at the same time as the COVID-19 vaccine

Qualified Participants Must:

- Be in generally good overall health
- Have not received any vaccines for COVID-19 or HPV
- Attend 5 clinic visits over 7-9 months

Qualified Participants Receive:

- HPV and COVID-19 vaccines at no cost, no insurance required
- Reimbursement for study-related time and travel
