	Combination of inpatient and outpatient experiences at Abington-Jefferson or Reading Hospital. Potential to add options for Jefferson New Jersey, Jefferson NorthEast or Methodist Hospitals.				Fellows may take one month blocks to fill in rotations that they would like to repeat, areas of interest, etc. These will be scheduled at the beginning or end of this 8 month block to be less disruptive to the outpatient experiences. Dedicated research time is arranged based on individual fellow's career plan									
Ideally longitudinal outpatient experiences will include a 12 month experience in the community practice setting. Depending on an individual fellow's needs, this 12 month experience may be in Center City.														

- Clinical experiences generally divided between Center City Philadelphia (2/3) & another Jefferson site (Jefferson- Abington, Jefferson- Methodist, Jefferson – New Jersey) (1/3), although all experiences might be in Center City based on fellow's needs.
- Scholarly Work Expectations: At least one abstract submission or peer reviewed manuscript. E.g. Quality Improvement projects with submission to ASCO Quality meeting
- Active engagement and leadership in the Quality Improvement Curriculum is expected
