

we are  
**JEFFERSON**

---

We are **more than 42,000 people** reimagining health, education and discovery. We are many things, but every day all of us are dedicated to one thing:

**IMPROVING LIVES**

A photograph of the Jefferson University building at dusk. The building is a multi-story structure with many windows, some of which are lit up. The sky is a mix of dark blue and purple, with some clouds. In the background, other city buildings are visible, including a prominent skyscraper with a pointed top. Two American flags are flying on poles in front of the building. The word "Jefferson" is written in large white letters on the side of the building, with a blue shield logo to its right.

Jefferson

EVERY DAY, WE ARE  
COMMITTED TO  
REIMAGINING HEALTH,  
EDUCATION AND  
DISCOVERY TO CREATE  
UNPARALLELED VALUE
